The calendar includes four (4) emergency days. In the event that makeup days are needed beyond those, they will first be scheduled during recesses, holidays and/or other days within the school year. Spring recess and staff development dates are also tentative, contingent upon state test dates being finalized. In extreme circumstances, the final day of school may be changed depending upon the number of makeup days required. If that changes, graduation will be moved as well. The minimum number of days of attendance for students within the ten month calendar will be 180. The maximum number of days of attendance for teachers within the ten month calendar will be 183. If any of the four (4) emergency days are not needed, they will be given back by closing school a corresponding number of days in May and/or June.
