Work Based Activity (WBA)
Student Plan

Electrician

Student Name: ___________________________ WBA Internship position: ___________________________

WBA Site: ___________________________

WBA Objectives: The Bergen County Technical Schools (BCTS) Adult & Continuing Education Full-Time Day Program has designed an action plan for students in their field of study to participate in WBAs or internships, outlined by the Commission on Occupational Education (COE), this institution’s accrediting agency. The plan provides: (a) students with the opportunity to develop and apply ‘real-world’ work experiences using the knowledge and skills attained in their program of study, and (b) input from potential employers or customers of program graduates for the institution to develop and monitor goals and objectives.

General WBA Goals

Cognitive: Comprehend principles and practices associated with plumbing and pipefitting
Performance: Apply principles and practices associated with plumbing and pipefitting
Affective: Value the importance of following safety and regulatory standards associated with plumbing and pipefitting

Industry Competencies

• Perform safety procedures and applications at worksites and employer shop prep areas
• Use basic electrical theory and applications
• Use advanced electrical theory and applications
• Apply knowledge of residential wiring codes
• Apply knowledge of commercial and industrial wiring and code
• Use and apply green technologies where applicable
• Apply job readiness and career skills such as customer service and communication
• Use effective writing and mathematical applications
