QuikApps Parent Experience
Electronic Free or Reduced Meal Application Tracking

To create a new parent user account for access to QuikApps, click the “Register” link on the site’s webpage. If you have previously filed an application on-line in the past, simply log in using the Username and Password you created and go to Step 4. The “Forgot Password” link allows the user to reset their password.

Step 1 New User Registration
Clicking the “Register” link brings up a screen that allows the user to select whether they are a Student or a Parent. Select parent as students are not permitted to create accounts.
The next screen is where the user will enter their First Name, Last Name, Email ID, password, and create a Security Question to verify the user's identity when a password reset is requested. Note that the password must conform to the security requirements specified.

When complete, click "Finish" to be redirected back to the site's login screen.
Step 2 Related Students
The Portal home page lists all Bergen County Technical School students (BCTS) related to the parent in PaySchools Admin. To add additional BCTS students, click "Add Student" to search for other family members that are BCTS students. Please note, non BCTS students cannot be added here, they can be added as family members later on in the application process.

In the pop-up screen, enter the student’s Student ID, first name, and last name as your students were enrolled with the district.
The newly added student will now appear in the grid. Repeat the Add Student Process until all BCTS students are listed on the screen. Click on "Contact Information" to verify/update information.

**Step 3 Contact Information**
The user is required to enter or update contact information prior to completing an application. The address information is required. Email is pre-populated based on the Email ID of the portal account. The phone number is optional.

**Step 4 Entering a New Application**
When the Contact Information has been saved, the user can now click on the "Free/Reduced Meal Application" button to enter a new application or edit an existing
application. The user will be prompted to verify/update their Contact Information if not previously updated. In the example, there are no existing applications so a new application will be entered. When creating a new application, the first step is to confirm ALL BCTS students in the family have been entered. If needed, you may click the “Return to add Students” button. All BCTS students need to be added prior to entering the application.

If all BCTS students are listed then Click Continue.

When Return to Add Students button is chosen the user is sent back to this screen to add additional enrolled BCTS students to the family. When finished, click the Free/Reduced Meal application button.
On the Select Application screen, click Create New Application.

On the Students screen, all BCTS students who are part of the family are listed. Checking the box next to the name will add them to the new application the user is creating. If the user does not select a patron here, they will need to edit the application later to add the patron. If a BCTS student has already been set by a district Administrator as Direct Certification, those students will need to be added to the Members to be counted on an Income based Application. Any questions concerning Direct Certified students, the user should contact the district.
If ALL BCTS students in your family are Foster children, please check this box. In the event not all students are Foster simply select your students and click Next. You will have the ability later to select Foster on individual students.

On the Members screen, the parent creating the application is included on the application by default. Additional guardians or members of the family that were included on prior applications will be listed on this screen. In the example, Mcm Test is the only guardian.
The next screen contains required information for the student. The assistance type, any special situation, foster child status and income are entered here. All fields must have a response in order to proceed to the next screen.

The guardian entry screen contains required information for the guardian. To enter income, click “Yes” by “Earns Income”. The user must enter the amounts and frequency for at least one income category and specify a frequency. The frequency selections are weekly, every two weeks, twice monthly, monthly and annual if the option is selected.
After clicking “Finish”, the screen displays the required statements associated with the application process.

The Instructions screen contains detailed information on how to correctly report benefits and income, along with a detailed definition of each benefit/income type. This information is contained in the application in window with a scroll bar. All details have been listed from that window. A link for translated Applications is listed at the bottom of the instructions.
The Students screen lists the BCTS students that will be included in the current application. On this screen, clicking the Pencil icon will allow the user to edit the student’s information. Clicking the X will allow you to remove the student from your application.
The “Add Available Student” button will add additional BCTS Students from the family to the application. The BCTS student will need to be added to the family first. If all BCTS students are not listed, click on the Add New Student button. After adding additional BCTS students, click the Add Available Student*. In this example all BCTS students in the family are already on the current application.

In the Edit screen, the user must click “Update” before clicking “Continue” to save any updated information.
The Member screen allows for editing member information and adding additional members (including any non-BCTS students). Make sure to include any non-district and Direct Certified students as part of the members. Click "Add Member" to add additional family members. Complete required information for each added member. Once completed click Continue.

The summary page will require the user to verify and confirm the household size and income for the family by checking the box then Continue.
Once all BCTS students, members, and guardians have been added to the application and verified, it is ready to be electronically signed. Please note, any non-BCTS students will be listed as family members, not students. The logged in user will be selected as the signer. On an income based application, the user must enter the last four digits of their Social Security number or click the checkbox “No SSN/Not Applicable”.

The user can choose which language they prefer, English or Spanish. This will cause any correspondence regarding this application to be generated in the chosen preferred language, when available.

The user must enter the password they specified when they registered for their account. This confirms them as the electronic signer of the application. Clicking “Sign” completes the process.
Disclosure Choices

Once the application has been electronically signed, the user is prompted to make Disclosure Choices if they have been defined in the system by their district administrator.

The user can select the program(s) they would like to disclose meal status information to by checking the box next to the program. Please read the screen carefully as some States and Districts require that the parent OPT OUT instead of OPT IN. Opting Out lets your district know you do not wish to Share.

The user will then be required to electronically sign the Disclosure Choices then click Finish.
The Confirmation screen shows the application was successfully signed along with the date and timestamp of the signature. At this point, the application is complete and the user can download the Disclosure Letter by clicking “Download Disclosure” and/or the Determination Letter by clicking the “Download Determination” link.

The user will be prompted to open or save the letter.

This is an example of the Disclosure Letter that will be generated for the user’s records.
PLEASE KEEP THIS LETTER FOR YOUR RECORDS. If a duplicate letter is required, one may be provided for a fee of $3.00 and must be picked up at the Nutrition Office at 10500 E. Woodman Rd., Fenton, Co 80031. An emailed copy can be sent at no charge.
