Student Parking Form

Senior driving and parking is a privilege that is governed by school policy. Approval will be based on an approved internship, student grades, history of lateness and absences, and valid MVC documentation. Both you and your parent/guardian are required to complete and sign this form. **By signing this form, you agree to abide by all school policies as they apply to driving to school and parking on campus.** These policies are as follows:

- Your vehicle will be parked in the section of the parking lot identified for student parking only and in the designated parking spot you are given.

- You are not allowed access to your car during school hours, including lunchtime.

- There are no in-and-out privileges, which mean that student drivers may not leave campus for any reason during the day and return at a later time.

- You must comply with MVC GDL regulations (passengers are limited to dependents of the probationary license holder and one additional person) to or from school. **IF you are carpooling with another student we MUST have a letter on file from BOTH parents/guardians.**

- **Driving privileges and extension thereof, are contingent on prompt arrival to school and classes.** After four (4) lates are accrued within a calendar month, driving privileges will be subject to suspension.

- You will operate your vehicle in a safe manner at all times and at a speed not to exceed 5 MPH while on campus.

- All motor vehicle accidents on the premises must be immediately reported to the Bergen County Sheriff's Department and School Administration.

- Failure to comply with the parking or other school policies will result in the revocation of driving privileges. The decision concerning the time frame is at the sole discretion of the school administration.

The Bergen County Technical High School accepts no responsibility for accidents and/or vandalism to your vehicle occurring on school property.

If you participate in after-school sports, you must have parental/guardian permission to drive your vehicle to Bergen Academies. The Athletic Director of Bergen County Technical Schools, Mr. William Muller, will provide this form.

Please submit this completed form, **copies of valid driver’s license, registration and insurance card** to Mrs. Palaia for approval review.

**By signing this form, you agree to abide by all school policies as they apply to driving to school and parking on campus.**
